Therapeutic copy

Patented at the District Court March 4 1892 by T. Sherman.

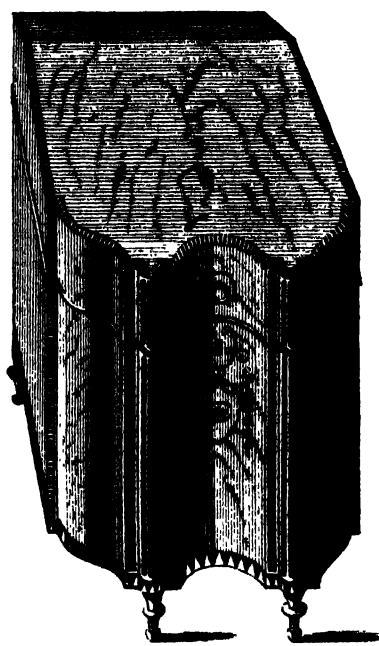

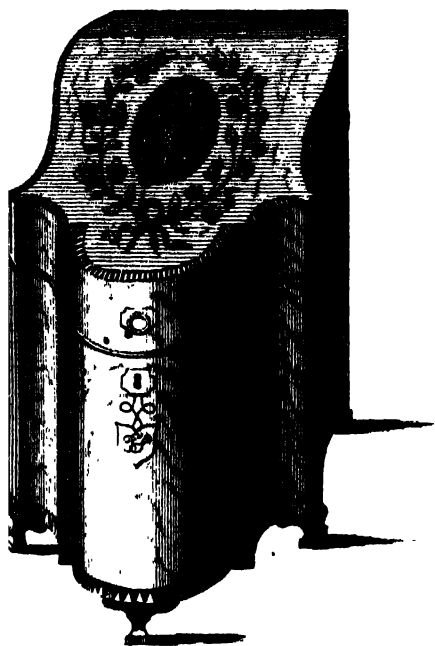

I. Sherman del.

A decorative woodcut illustration of a bell-shaped object, possibly a bell or a decorative element, with a central circular medallion featuring a figure. The object is oriented vertically, with the bell-shaped part at the top and a flared base at the bottom. The central medallion contains a figure, possibly a saint or a religious figure, surrounded by a circular border. The entire illustration is rendered in a woodcut style with fine lines and shading.
